Holiday Homes

2026 RANGE

UK CARAVAN CENTRE

APPROVED DEALER

Welcome to Swift

UK's No.1 brand for leisure vehicles

We are the UK's largest manufacturer of touring caravans, motorhomes and holiday homes. We've grown from simple foundations back in 1964, when our founder Ken Smith built his first touring caravan, to become the UK's number one leisure vehicle brand.

Our philosophy is to build leisure vehicles that are at the heart of your holiday, whether that be nestled in the countryside or by the sea, searching out active pursuits or simply enjoying a quieter pace of life. With a lifetime of memories waiting to be made, it's time to find your ultimate holiday home.

Five steps to holiday home ownership

Owning a holiday home means more getaways and lasting memories, but knowing where to start can be daunting. That's why we've created a simple guide to help you choose the right home and park for your ideal escape.

Step 1

Is Holiday Home Ownership Right for You?

If you enjoy regular getaways, spending time with loved ones, or unwinding in peaceful surroundings, holiday home ownership could be ideal. It's perfect for walkers, cyclists, wildlife lovers - or anyone who values freedom and flexibility.

Step 2

Finding Your Dream Park

Choosing the right park is key. Consider what's important to you, whether that's nature, the seaside, or nearby attractions. Take your time exploring options on our destinations page to find a location you'll love for years to come.

Step 3

Visiting the Parks

Once you've narrowed it down, visit a few parks to get a feel for the atmosphere, facilities, and surroundings. It's the best way to picture yourself there and find the perfect spot for your holiday home.

Step 4

Choosing Your Holiday Home

Swift holiday homes combine smart design, practical features, and options for every lifestyle—from simple comfort to luxury touches. Choose the model that suits you best.

Step 5

What Happens Next?

Your park and dealer handle delivery and setup. At handover, they'll show you how everything works, so you can settle in and start enjoying your new getaway.

Expertly designed and crafted

Caroline Ward

Designer at Swift

We follow research insights and trends to keep ahead of the designs that appeal to both today's and tomorrow's customers, while also taking the time to understand what design aspects are important to you and your holiday lifestyle.

Today's trends involve a higher degree of ecological and environmental considerations, and at Swift, we share these values in our design and manufacturing decisions. We aim to replicate the natural world in both colour and material choices across all of our products.

Keeping on top of the trends through observation and research, we have seen a shift towards bolder accent colours as well as with colour palettes embracing warmer and softer earthy hues.

The Swift Difference

There's no better feeling than stepping into your holiday home or lodge for a relaxing getaway, so we do everything possible to make that feeling last for years to come.

We pride ourselves on applying superior manufacturing quality to everything we produce, we deliberately make design choices for the interiors to prioritise "liveability." This ensures that our products not only endure the test of time but also provide comfort and usability for a truly enjoyable experience.

And prioritising your peace of mind, we offer outstanding warranties, including a 3-year Manufacturer Supersure Warranty, 5-year Structural Warranty and 10-year Chassis Warranty.

Every Swift Holiday Home comes with the following as standard

Exclusive Duvalay™ mattresses

All beds feature indulgent Duvalay™ mattresses for the best nights' sleep

High thermal efficiency

Enjoy outstanding thermal efficiency, proven by environmental chamber testing and calculations

Bonded exterior walls

Sandwich construction walls provide a more rigid exterior, bonded using a production method unique to Swift

Integrated fridge freezers

Integrated fridge freezers are included across all ranges to maintain a sleek, uncluttered look (except Royan)

Double electric and USB (A&C) sockets

Stay connected with electrical and USB sockets in selected areas keeping everything charged

Externally vented extractors

Keep your holiday home fresh and dry with externally vented extractors, preventing damp and odours

Stain resistant carpets

With stain resistant carpets, there's no need to waste your precious holiday time scrubbing

Fully galvanised chassis

Protecting your holiday home, Swift's robust, fully galvanised chassis resist corrosion and is warrantied for 10 years

Scan the QR code for more information

LED ceiling lights

Benefitting the environment and your pocket, bright, low energy LED lighting is included throughout

Integrated microwaves

Optimising valuable work surface space, all Swift Holiday Homes feature integrated microwaves (except Royan)

Why Swift?

As a leading manufacturer of holiday homes, touring caravans and motorhomes, we know just how to create the perfect retreat for your getaways. We apply this understanding in superb specifications, impeccable looks and creative space solutions, and work with a selection of the industry's most trusted suppliers.

As part of this manufacturing commitment, we defined the Swift Difference where we ensure that every holiday home and lodge that we produce meets our high quality and specification requirements.

1. Construction and thermal efficiency

Built to BS EN 1647 standards, Swift Holiday Homes meet NCC thermal and structural requirements.

2. Safety comes first

Audited by the National Caravan Council (NCC), all Swift Holiday Homes comply with British and European safety standards.

3. Double Glazing

Standard or optional heat-reflecting Thermaglas double glazing provides superior thermal performance with a 16mm air space.

4. Chassis

Fully galvanised chassis with a 10-year anti-corrosion warranty is standard on all Swift Holiday Homes.

5. Roof trusses

Prefabricated trusses ensure strength and accuracy, meeting Grade B snow loading (half a metre of settled snow) with glass wool insulation for excellent thermal efficiency.

6. Wall construction

Bonded sandwich walls with a timber frame, insulation, and plywood inner skin are clad in durable aluminium or CanExel for enhanced strength.

7. Floor construction

Timber joists with 80mm glass wool insulation are covered with a breathable membrane and waterproof finish for durability.

3-Year Supersure Warranty Your holiday home has 3-year cover for all parts and fittings (other than the Structural Warranty.

structural exterior). This includes items like:

- Freestanding furniture
- Kitchens
- Showers
- Sanitaryware
- Sockets and switches
- Interior doors and integrated furniture
- Gutter and fall pipes

5-Year Structural Warranty Your holiday home is protected by a 5-year

Swift will repair or replace any structural defects, including issues with sealed seam joints or water ingress, reported within the warranty period. Coverage extends to key components, such as:

- External doors
- uPVC windows
- Roof, walls and ceilings
- Carpets
- Morco boilers

10-Year Chassis Warranty Your holiday home has a fully galvanised chassis with a 10-year Chassis Warranty, subject to maintenance. Swift will repair (or, at its option, replace) any defects with the chassis that come to light during this period, only for as long as the home belongs to its first owner.

All warranties start from the date an approved Swift Group dealer or park operator transfers the unit to its first owner and are subject to conditions, terms and exclusions. For full details see [swiftholidayhomes.co.uk/owners](https://www.swiftholidayhomes.co.uk/owners)

Margaux

Discover our optional Eco extras

At Swift, we're committed to creating holiday homes that are not only stylish and comfortable, but also kinder to the planet. Across all Swift holiday homes, you can upgrade with a range of innovative eco technologies that support more sustainable living - without compromising convenience or luxury.

Smart Comfort

Control your heating remotely with Smart Command. Pre-warm your holiday home or adjust the temperature on the go, all from your smart device.

All-Electric Heating

A clean and efficient fully electric boiler and wet central heating system, eliminating the need for gas bottles.

Smarter Water Heating

Using energy harvested through solar panels, the SunAmp water heater allows heat to be stored compactly and released gradually, even when the heat source is off. This stored energy can then heat water for over an hour when fully charged.

All-Electric Cooking

Modern, efficient and sustainable, our induction hobs and electric ovens reduce the need for gas bottles.

Solar Energy

Our Swift roof structures have the option to be solar ready, offering a renewable energy boost to reduce your reliance on the grid and lower your carbon footprint even further.

Scan the QR code to learn more about our Eco options

Introducing Smart Command

New for 2026, the Smart Command system is an optional extra available across all Swift holiday home ranges. This eco-friendly system puts you in control of your onboard systems via a touchscreen panel and smartphone app. Use Bluetooth when nearby or your internet connection remotely to monitor power, temperature, humidity, and your holiday home's location. You can even control the heating for a warm welcome on colder days.

Heating

Activate whilst out exploring and enjoy the warmth when you get back. Forgot to turn your heating off when you left? no problem - just log into the app.

Controls

Control switch appliances such as lighting and heating with timers.

Energy

See overviews of live energy generation and usage.

Enviro

See information on external and internal temperatures as well as internal humidity levels

Scan the QR code to learn more about Smart Command.

Exterior finishes

Swift holiday homes are designed for long-lasting great looks. The exterior is woodgrain textured aluminium cladding. Anthracite glazing is part of the option for colour aluminum and an option for Sandy Beige.

Woodgrain Textured Aluminium	Standard Sandy Beige	Optional Environmental Green	Optional Brown

Only Swift approved partners sell approved Swift holiday homes and lodges

Swift wants to make sure your buying experience is the best it can be. When you buy from a Swift Approved Partner, you can rest assured that your holiday home is fully supported by Swift Group and the supplying distributor.

The benefits of buying from a Swift Approved Partner include:

- Swift Group Approved Warranty
- Dealer access to Swift Connect aftersales support
- Approved spare parts
- Approved engineers
- Access to Swift Approved technical engineers
- Product on display at distributors
- Financial services to help with your purchase*

Find your nearest Swift Approved Partner from our list on the back of the brochure or the Swift Holiday Homes website, swiftholidayhomes.co.uk, and look out for the Swift Approved Partner signs in dealerships.
